

# Dietmar Feichtinger

Dietmar Feichtinger established Dietmar Feichtinger Architects in Paris in 1993. With about thirty employees between Paris and Vienna the team operates mainly in Europe. DFA has built a strong reputation for its inventive structures and its investigative approach to design. Its work links both architecture and engineering whilst exploring the dynamics between these two disciplines. In a constant strive DFA is looking for integrating environmental and sustainable development, in an elegant and sensitive architecture, respectful of nature and humans.

Dietmar Feichtinger Architects is internationally-honored with architecture awards and publications for excellence in design and their built projects.
